Characters

Kai Feng

Age: 32 years

Height: 1.68m

Takai is a restless wanderer roaming through the worlds searching for a fighter of his level. Finally at the tatakai no ikimono contest he found a fitting opponent.

Mak

Age: 40 years

Height: 1.72m

As the resident of the temple, where the contest is held and being the best fighter of the temples guards, he just had to attend the contest.

Levels

Outside the temple
This arena is located outside of the main temple hidden high up in the mountains of the land.

Inside the temple
This arena is the main hall of the big temple. Big pillars are holding the roof and only sparse light comes through the windows.
